PERSONAL INFORMATION

Position applied for	Lead / Senior Flutter Developer
Languages	English (Professional) Urdu (Native) Punjabi (Native)

PROFESSIONAL PROFILE

About me	Lead Flutter Developer with 8+ years of software development experience and a strong background in cross-platform mobile architecture, system design and team leadership. Expert in building scalable Flutter applications for Android, iOS, Web and Desktop, with hands-on experience designing Python-based backend services and RESTful APIs. Proven ability to own end-to-end products, mentor developers and deliver reliable, high-performance systems for e-commerce, POS, logistics and enterprise apps.
----------	---

WORK EXPERIENCE

Oct 2021 – Present	Lead / Senior Flutter Developer & Tech Lead <i>IKLIX — Dubai, UAE</i> - Led architecture and development of Flutter apps across mobile, web and desktop. - Owned full e-commerce ecosystem: POS, delivery, dashboards and inventory. - Built and maintained Python backend services and RESTful APIs. - Integrated Apple Pay, Stripe and third-party SDKs; Odoo integration with Klix App for sales. - Conducted code reviews, mentored the team and improved release stability and performance.
Sep 2018 – Aug 2021	Technical Developer <i>Massar — Dubai, UAE</i> - Built iOS and Android apps using NativeScript (Angular / TypeScript). - Published apps to Google Play and the App Store; integrated native plugins and REST APIs.
Dec 2015 – Mar 2017	Android Developer <i>Al-Hafiz Design Center & Jolta Technology — Pakistan</i> - Developed native and hybrid Android applications and integrated REST APIs. - Worked on Arduino-based home automation; enhanced several production apps.

EDUCATION & TRAINING

2011 – 2015	Bachelor of Software Engineering <i>GC University Faisalabad — Pakistan</i>
